CONGRATULATIONS!

I am indeed very happy and honored to be given this opportunity to greet all Tanjayanons across the USA and Canada through the Tanjay Association, USA on the occasion of your 10th Anniversary Celebrations. We wish you success in all your endeavors and activities relative to the event. And we would like to cheer and felicitate the organizers, the chairmen and members of the different working committees and most especially, the Officers of the association for pooling in their resources and pouring out their talents in order to have a meaningful fruitful and productive celebration.

We are glad to note, too, that distance has not severed your link with our cultural heritage. Your deep sense of cultural responsibility augurs well for a healthy cultural correspondence and development between you and us here--your struggling countrymen for a brighter tomorrow.

In fact, Tanjay has become a very progressive community now because we have capitalized in our development thrusts the socio-economic potential of our cultural heritage which includes our festivals (Sinulog de Tanjay, Pasko sa Tanjay, Aurora Festival, Children's Festival, Festival of Hearts, Orchids Festival, Music Festival and Sports Festival), events (Park Cafe', Talents Unlimited, Evening of Revivals, Musicland Tanjay, and Harana) and our local art, crafts, science and famous delicacy - "Budbud sa Tanjay".

We are very proud of you and we look forward to the day when you shall find time to see once again the land of your birth and heritage and to enjoy and embrace once more its rich cultural traditions.

HAPPY FIESTA!
