### MESSAGES

This occasion brings to mind our bonding together to usher our Association into existence with our objectives defined. The pursuit of these objectives is still the focus of our continuing efforts.

As the Outgoing President, I welcome the Incoming Officers who are imbued with determination and ardor to achieve our goals. I thank all the members who were so supportive in all undertakings during my term.

In all our undertakings we evoked the guidance of our Patron Saint, Sr. Santiago, whose feast day we are also celebrating.

Outgoing President

Dear Tanjayanons and Friends,

We, the incoming officers extend our warmest welcome to our visitors. To our beloved Tanjayanons, it is good to be together once more. It has been ten years since we started this tradition of meeting regularly, and every occasion has been a happy event.

It feels good to see old friends, relatives and classmates from Tanjay. We have so much to talk about that the weekend does not seem to offer enough time. Spending time together and speaking like a real Tanjayanon is good for the spirit.

Indeed our yearly fiesta celebration is the next best thing to being home.

It is with great sense of responsibility that I accept the position of President of our organization. I am looking forward to working with my fellow officers and hope for everyone's participation. Together we can achieve our purpose - and that is to keep and nurture the kinship and camaraderie of this one, big, happy family of Tanjayanons.

Mabuhang Tanjay! Viva Señor Santiago!
