

THE SEPT-BORN BIRTHDAY PARTY AT TIGI'S - 7 OCT 2011

Ok, Ok, I'm just doodling. Now at the airport waiting for the Cathay airline counter to open at 3 AM, then we can check in. And there is Internet! Anyway, the normal portion of the photo above I think I sent out the day after the party but without IDs. As a matter of fact, Johnny Reyes emailed me about it, as all I had said then was that not all were in the picture, but we made up two dozen, still going strong with food, drink, dance and song. Let me add names, and a few more photos to prove the point.

I could have cloned in the rightmost three, missing in the group, but that's laborious. Easiest to stitch them together, which in this case had to do with a repeating pattern below the waist, so as not to let them appear floating on their torsos like aswangs.

Left to right, kneeling: Lino Faelnar, Jimmy Abad. Seated: Lisa Gil, Nora Barcelona, Mercy Abad, Tigi Barcelona, Clara Lapus, Maureen Faelnar. Standing: Beth Nuqui, Jimmy Ong, Angge Soriano, Mon Pasicolan, Ed Magtoto, Bong Nuqui, Jess & Jessie Javelona, Bert Sandoval, Mimi Pasicolan, Josie Magtoto, Lourdes Caluag, Lenore Sandoval, and the stitchees: Mundy & Sylvia Gonzales, and Danny Gil.

No need for IDs of the above. What did Tigi say when the party was ending? "We should do this every month".
