

**Mostly Candid Shots during
Brunch at Hery & Mila Brillantes' Edgewater Place, 14 Aug 2010, for some 62nd Street Forum Members**

The magnificent view from picture window. This is their new place. Previously, they were literally at the edge of the water at a condo on the far left in photo above. Right photo above shows Frank, Gene, Lisa and Hery (leaning on grand piano).

Present were hosts Hery & Mila Brillantes, Danny & Lisa Gil, Ninotchka Rosca, Frank Jimenez, Gene Pulmano, Mars & Cora Custodio.

As Frank's earlier email indicated, we stayed on and on, and had wide-ranging discussions on various topics, from politics, to history, to theology, to feminism, jokes (bawdy or otherwise), and of course, plain chismis. Great fun & food.

My best candid shot on left, of Mars.
